University of Manchester: Faculty of Humanities Strategic Investment Fund

- **Aim:**
 - To develop the scope and impact of MMIN by developing and embedding MI practice across a range of sectors (e.g., education; health; social care; probation; counselling);
 - To improve outcomes for a wide range of clients experiencing mental health difficulties.
- **Length:** 3-years (September 2017 to August 2020).

University of Manchester: Faculty of Humanities Strategic Investment Fund

- **Impact strands:**

1. Maintain MMIN to promote attendees' understanding and use of MI in practice;
2. Audit, and support the development of, MI practice across a range of sectors (e.g., education; health; social care; probation; counselling) by undertaking site visits;
3. Gather client impact data across a range of sectors to evidence impact of MMIN and site visits.

Practice development via site visits

- During the 2017/18 academic year, we have the capacity to undertake practice audits within three services by undertaking site visits.
- This will subsequently lead to practice development during 2018/19 and 2019/20, again via site visits.

Practice development via site visits

- **Inclusion criteria:**
 - Two or more practitioners within the service who use MI to support clients with mental health difficulties;
 - Service willingness to develop MI practice;
 - Service operating within one of the following sectors: education; health; social care; probation; counselling.
- **Interested parties:** george-thomas@live.co.uk.

Free MI CPD day – *Friday 29th June*

- **Location:** University of Manchester.
- **Focus:** Developing practitioner skills in MI.
